Planning Project Update

BALLARD

DPD

Planning Project Update

BACKGROUND

- Envisioning Ballard to Interbay
- B2D High Capacity Transit Study
- Ballard Partnership for Smart Growth

PARTNERS

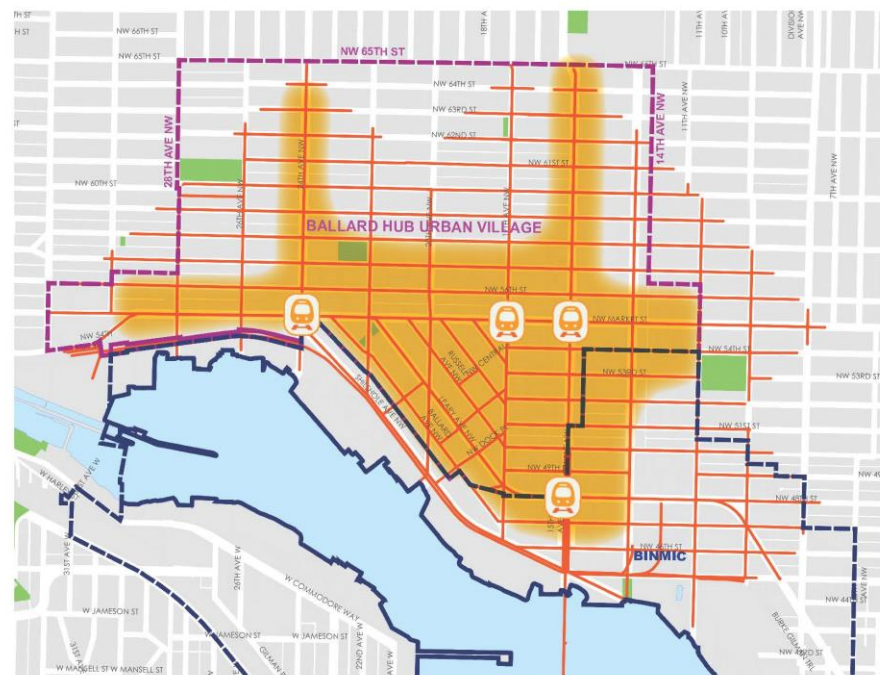

- Ballard Partnership for Smart Growth
- SDOT
- Interdepartmental Team

SCOPE & FOCUS AREA

The UDF will identify a vision for growth that enhances the livability, affordability and character of Ballard. Our collaboration will address:

- Mix & character of land uses;
- Multi-modal connections;
- HCT station assessments;
- Job growth & diversification; and
- Access to resources supporting a healthy community.

DPD

Planning Project Update

DELRIDGE

DPD

Planning Project Update

BACKGROUND

- Delridge Neighborhood Plan
- Status Report
- Seattle Women and Food Access Report
- SDOT Multi-modal Corridor Planning

PARTNERS

- DON
- Delridge District Council
- DNDA
- Interdepartmental Team

SCOPE & FOCUS AREA

Develop a plan of actions that the community and City can take to address community priorities.

Create great neighborhood places.

- Encourage community-oriented development at nodes as identified in the neighborhood plan.
- Inform design for future Delridge street improvements.
- Assess opportunities to address drainage and flooding.

Improve health outcomes.

- Build on existing (Seattle Women and Food Access report, Delridge Grocery Coop) to increase access to healthy food.
- Build on assets to make active transportation an easy choice.

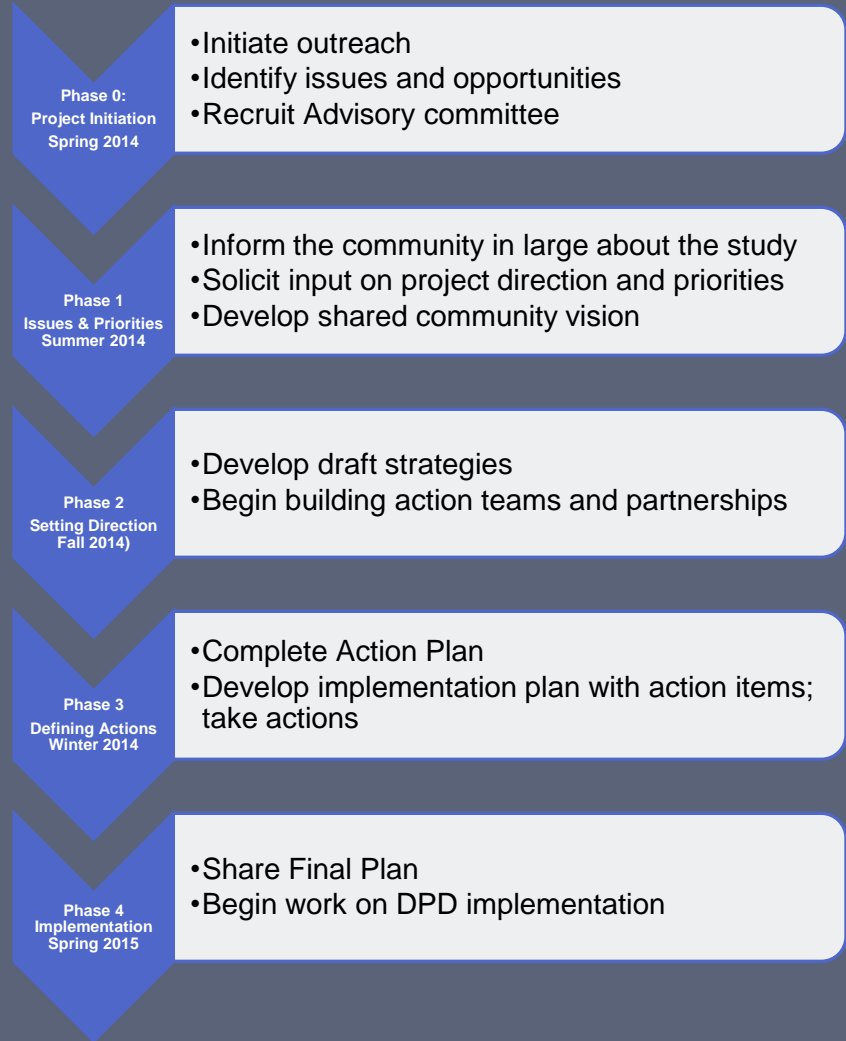

Build community capacity to take action.

- Engage communities through the POELS.
- Include community-based actions as well as City actions.
- Support organizational development.

OPPORTUNITIES TO ENGAGE

- Advisory Core Team (ACT)
- Public Outreach & Engagement Liaisons (POELs)
- 3 Community Events
- On-Line
